

Consent form

Research Title: Supporting Passenger Decision-Making When Digital Public Transport Information Conflicts with Observed Conditions

Lead researcher: Yankun Yang, Student Researcher, The University of Queensland

Other researchers: Benxuan Wang, Mingjie Xi, Houshi Ye

Declaration by Participant

- I have read the Participant Information Sheet (version 1.0 (4 September 2026)) or someone has read it to me in a language that I understand.
- I understand the purposes, procedures and risks of the research.
- I confirm that I am 18 years of age or older and meet the participation requirements described in the Participant Information Sheet.
- I have had an opportunity to ask questions and I am satisfied with the answers I have received.
- I understand that I will not receive any benefit from my involvement in the project except as detailed in the Participant Information Sheet.
- I freely agree to participate in this research project and understand that I am free to withdraw at any time. I understand what will happen to the data and information if I decide to withdraw.
- I understand that I will be given a signed copy of this document to keep.

I consent to the collection and use of my coded or de-identified usability data, including task choices, questionnaire responses and researcher notes, for this project.

I understand that no audio or video recording is planned for this evaluation unless separate consent is requested and provided.

Participant name (please print):

Silvia Chan

Date:

6/9/2026

Participant signature:
